Islamabad: Special Judge, Anti-Terrorism Court, Islamabad, Raja Jawad Abbas Hassan awarded certificates to 30 lawyers hailing from different District Bar Associations of Balochistan province in a simple Certificate Awarding Ceremony held at the Federal Judicial Academy Phase-2 Building on August 3, 2019.

Raja Jawad Abbas Hassan addressing the Certificate Awarding Ceremony stated, “It’s impossible to competently perform in any sphere of legal work without proper knowledge and training. The Academy is doing a great job by imparting training to the members of the Bar to enhance their intellect and standards of practice.”

He lauded the Academy to have arranged highly beneficial capacity building training courses for the lawyers, among others, from Balochistan.

“ This Academy has always shown and showered special attention on the trainees from Balochistan. It really augurs well because there exist no such opportunities and avenues for them to build their capacity and sharpen their professional skills,” Special Judge Raja Jawad Abbas maintained.

Advising the lawyers, he said, “When it comes to Balochistan, money should not be your prime concern because a vast majority of people are deprived and destitute. I have personally seen the reeling under extreme poverty. They don’t have the paying capacity as we see in other parts of the country. Against this backdrop, earning money should not be goal of lawyers from Balochistan, but selfless service to humanity. Remember! Those

who care for humanity , they are not forsaken by Allah ( SWT)who is the LORD and Sustainer of everyone.”

Director General of the Academy, Mr. Hayat Ali Shah gave an overview of the ‘Continuing Legal Education (CLE): Professional Development Package for Members of the Bar”.

“Lawyers are an important segment of any enlightened and progressive society. Your gentleness is your strength. Your gentleness should always be at work while pleading anyone’s case in the court of law,” the DG advised them.

This was the second batch which underwent a weeklong training under “Continuing Legal Education (CLE): Professional Development Package for Members of the Bar” at the Academy. The first batch was from District Bar Association, Islamabad to benefit from the CLE.
