

## **Case, court management is science: Fakhar Hayat**

On October 23<sup>rd</sup> 2017, the Federal Judicial Academy organized an opening ceremony of the training course on the topic of “Case and Court Management and New Laws” “for Civil Judges-cum-Magistrates from all over Pakistan, Azad Jammu and Kashmir and Gilgit-Baltistan.

Presented in the ceremony were Mr. Fakhar Hayat, Director General of the Academy, faculty members, officers and staff.

While addressing the participants in the ceremony, the Director General stated that, “case and court management are regarded as science, and court automation is an important part of the case and court management. We must learn new techniques and skills of the case and court management for its effective application in order to provide swift relief to the litigant public.”

“Trainings have become a regular feature in the academies both at the federal and provincial level. The Federal Judicial Academy arranges subject-specific courses as per its Annual Judicial Education Training Calendar for the professional development of its stakeholders. Since you are participants, you must participate in the training sessions earnestly to seek more knowledge and information,” he concluded.

Twenty one Civil Judges-cum-Magistrates from all over Pakistan and Gilgit-Baltistan are participating in this weeklong training course at the Academy.
