

Training Course for Senior Civil Judges at FJA on “Leadership and Management”

Leadership and management is fundamental to judicial career: Director General, Federal Judicial Academy

A five-day Training Course started at Federal Judicial Academy, Islamabad on November 26, 2018 on the “Leadership and Management ” for Senior Civil Judges from all over Pakistan, Azad Jammu & Kashmir and Gilgit-Baltistan.

The course was inaugurated by Director General of the Academy Mr. Hayat Ali Shah. In his address he highlighted the importance of leadership and management and also shed light on the importance of leadership in the judiciary. “Judiciary is the leading institution and judges, by virtue of their nature of job, are leaders and managers at the same time and thus have to lead from the front. The Academy, conscious of this unique position, has felt the necessity to design this course to sharpen your skills for effective leadership and management in the field” DG of the Academy observed.

Selected topics include ‘ “Understanding Challenges at the Workplace”, “ Critical Thinking”, “ Team Building Through Engagement,” “ Integrity Management”, “ Conflict Resolution and Crisis Management ”, “ Drafting Skills (Practical Exercise)”, “ Office and Linguistic Skills”, “ Change Management”, “ Planning, Organization and Delegation”, , “ Preparing Work Plan”, “ Measuring Performance” , “ Self-Assessment Check List “, amongst others.

The participants will also attend sessions on instructions, syndicate discussions, study circles and videos. Additionally, trainees would be taken for a visit to the Supreme Court of Pakistan and Local Excursion during this five-day training at the Academy.
