

Director General, FJA, urges Superintendents of Sessions Courts to uphold highest standards of professionalism

Superintendents of District and Sessions Courts asked to pass on knowledge to others

Islamabad: “Superintendents of District and Sessions Courts play a role of ‘chief ministerial officer’ and these courts cannot carry out their functions without competent, motivated, hardworking and knowledgeable Superintendents.”

These views were expressed by Mr. Fakhar Hayat, Director General, Federal Judicial Academy at the inaugural ceremony of a one-week training Course on “How to be an Effective Superintendent” in which twenty two Superintendents from all over Pakistan, including Azad Jammu and Kashmir are nominated to participate.

Mr. Fakhar Hayat stated that, “The effectiveness and efficiency of justice is directly tied to court personnel competence. The superintendents are required to sharpen their skills and build their professionalism to perform their specialized managerial tasks that courts require. The course is designed to build your professionalism and enhance your effectiveness in performance. It is intended to be participatory. The participants are expected to participate actively. It is not wisdom to confine your knowledge and information, but to expand knowledge and information and pass on to colleagues and others for effective service delivery.”
