DG, FJA, HIGHLIGHTS THE NEED FOR EFFECTIVE ADMINISTRATION/ FINANCIAL MANAGEMENT

Mr. Fakhar Hayat, Director General, Federal Judicial Academy, said that in the contemporary world, to be effective, our judicial officers must not be leaden-footed but well-equipped with the best practices of effective administration and financial management for quick service delivery.

He expressed these views in the inaugural ceremony of a one -week Training Course on “Effective Administration/ Financial Management” for Senior Civil Judges from all over Pakistan, Azad Jammu and Kashmir and Gilgit-Baltistan at the Academy on Monday.

He said, “The FJA always tries to ignite the imagination and instil a love of learning among the participants. This weeklong training is, in fact, an opportunity for all of you to make yourselves rich with the knowledge and information about effective administration and financial management. Stay committed and focused on your training and try to gain maximum knowledge from the learned resource persons because whatever you learn, it always repays in your effective performance.”

Nineteen participants are nominated to benefit from this weeklong training in the Academy.
