<p>Muneera Abbasi [muneeraabbasi1@gmail.com] 6.10.2018</p>	<p>Dear Mr Shah Bundle of thanks for your email. It was indeed v pleasant and memorable experience to be part of your new initiatives. Professionally speaking, we are feeling our selves as more learned, knowledgeable and honoured after attending this unique course. The techniques learned here particularly on changed Management, challenges at workplace, conflict Management and team building besides knowing about critical analysis skills hopefully would take us to the peak. At personal level you and your lovely team indeed has touched our hearts. We enjoyed the beautiful evening program very much and hope that in future too will be able to visit Academy to learn on new avenues as for as leadership is related. Above all let my confess that people like you are true leaders who polish common people by making them confident and learned. I must say that leader is not the person who tells people what to do but who tells how to do. I am always thankful for your kind support and encouragement. Allah Almighty bless you with happiness and success and courage. Amin Warm regards Muneera Abbasi</p>

<p>Muhammad Saad Qureshi [msqdj@hotmail.com] 10.10.2018</p>	<p>Thank you very much sir. It was a unique experience. The course was properly designed and subjects were in proper order. The most important were the practical exercises which did compel participants of the Course to actively participate in class. The lecturers had command on their subjects and all topics were very much relevant to our assignments. I hop such training would continue and the Provincial Judicial Academies will also design such type of trainings for the Judicial officers. Regards</p>
