| Arshad Iqbal<br>[arshadiqbalasj@gmail.com]<br>17.10.2018      | Thank you dear sir. It was really wonderful experience to stay at FJA. We have learnt a lot regarding cyber crimes. But, the duration of the course was too short. Participants have joined from far-flung areas, so it would have been appropriate if, it's duration had increased. In order to make the judges competent and well versed in the area of cyber crime, it would be better if the course material should be thinned out and number of lectures should be increased. Any how, dear sir, your kind hearted love and affection shall remain in our hearts for ever.<br>Kind Regards Sir |
