

He was born on 28 April 1980. He got his early education from Government College Gujranwala and thereafter obtained LL.B. degree from International Islamic University Islamabad in 2004. He also obtained diploma in English language from National University of Modern Languages Islamabad. He has strong IT skills especially in the field of database. Initially, he started practice in legal profession at Gujranwala in the year 2005. Very soon after start of his career, he was known as one of the competent lawyers of district bar Gujranwala and remained dynamic in politics of local bar. He remained in active practice for a period of five years and then joined judicial service while qualifying competitive exam through PPSC in the year 2010. Since he had strong IT background so from the day one, he used to utilise IT tools for betterment of judicial working and also facilitated the district judiciary in their working through IT tools. He introduced the idea of using voice typing tool in judicial proceedings for the 1st time. He always remained IT focal person in every district where he remained posted throughout his service. In the year 2019, he was posted as Deputy Director on the project of model courts initiated by his lordship Mr. Justice Asif Saeed Khan Khosa, the then honourable Chief Justice of Pakistan. He managed database system of model courts under the supervision and guidance of Mr. Sohail Nasir, Director General Model Courts. He was posted as Deputy Director in Federal Judicial Academy in July 2020.
