advajiaz chang [advaijaz.chang@gmail.com] 16-12-2020	Assalam O Allaikum,  Honourable Sir,  It has been an outstanding experience at Federal Judicial Academy, Islamabad, particularly a new way of learning in a friendly environment has provided an opportunity for us to explore ourselves with dynamics of understanding of doing the things on a regular basis and we were made to think differently about those regular doings.  I once again appreciate the Honourable Teaching Faculty for their untiring efforts to make our learning better and fruitful. I wish i could get such opportunities of learning time and again so that I could be able to work on gray areas of my working as a Judicial Officer for the betterment and uplifting the calibre of the department working with.  It is wonderful to see the email, feeling proud to be remembered as part of the history of FJA, the honour is all mine.  Warm Regards:  Aijaz Ali Chang Civil Judge & Judicial Magistrate, Hyderabad, Sindh 0346-8953152
